PRESIDENT'S MESSAGE

Welcome to our End of Season Newsletter

As the curtain comes down on 2021, can I once again thank everyone for their contribution to the club in what has been another difficult but successful season.

Following our recent AGM, plans for 2022 and beyond are well advanced and senior football and netball have commenced training with good numbers and many new faces on board which is fantastic.

We welcome our new coach's, several new players together with their families to the club and hope that you enjoy your time with us and also acknowledge those departing players, coach's and their families for their commitment and service to the Bulldogs in their time with us and wish you all well in your future endeavors.

We also welcome to our committee Kylie Coghlan (Secretary) and Amelia Walker (Social Committee Coordinator) and thank Delvene Barber and Jessi Wardlaw for their valuable contributions to the committee and club over many seasons. Thanks also for staying around in a mentoring role to Kylie and Amelia as this will assist this transition greatly.

On behalf of the club can I wish everyone a happy and safe Christmas and New Year with your family and friends and I hope everyone enjoys and stays safe in the off-season and we all look forward to coming together in 2022 in what I am sure will be another successful year at the kennel.

Senior Football Coach's for 2022

The Avoca Football Netball Club is pleased to announce and welcome Darren "Dipper" Antonio to the club in the role of senior coach for 2022.

Darren has held a number of coaching positions over a 30 year period and has extensive knowledge, especially with the development of junior players.

He has coached a number of junior grades over many years at both club and interleague level which included 10 seasons coaching junior Central Highland Interleague teams and has also had senior coaching roles at Creswick and Royal Park.

Darren was also a line coach for three years of the AFL Goldfields junior squads that toured North Queensland where we had a number of players involved in those tours and who have provided extremely positive feedback.

Together with his leadership group, Darren is looking forward to working with our strong junior list and improving both fitness and skill levels across the entire group.

He also has extensive knowledge of the club environment having served at committee and executive level at Creswick for a number of years.

We are also excited to announce that Darren's nephew Joel Antonio, and Nick Coghlan, have come on board as assistant coaches for 2022.

Joel comes to the club as a playing assistant with extensive leadership qualities as a club captain and member of various leadership groups over a number of years and has held assistant coaching roles previously.

Joel will be a valuable asset to the club both on and off the field.

Nick Coghlan who we all know well, is in rehabilitation from his snapped Achilles tendon this season and on track for round one next season, has also signed on as an assistant coach and will bring valuable knowledge of our local playing group.

This will assist both Darren and Joel greatly in their new roles at the club.

We are all looking forward to seeing Nick back out doing what he does best.

There have been a number of positive new signings over the past few weeks and we look forward to all coming together when covid allows to meet our new coaches and recruits and map out our pre-season program and expectations for 2022 and beyond.

Once again on behalf of everyone at the club congratulations to all three on your appointments and welcome to both Darren and Joel to the Avoca Football Netball Club.

Freddy wins League Best & Fairest

The Avoca Football Netball Club congratulates Freddy Davis who won the Under 11.5 MCDFNL Best & Fairest award.

Freddy polled nine x 3 votes to poll 27 votes to tie the award with Harvey Rumpff of Carisbrook and Danny Sutton of Trentham.

We also congratulate Harvey and Danny for their great season of football.

Freddy has been a key player in our Under 11.5 team going through the season undefeated, and it was disappointing that they did not get the opportunity to meet the other undefeated team in Carisbrook before the season ended.

Freddy also kicked 18 goals for the season and also won the Club Best & Fairest.

Well done Freddy!

Kirby wins League Best & Fairest

The Avoca Football Netball Club congratulates Kirby Postle for taking out the B Grade MCDFNL Best & Fairest award .

Kirby polled 22 votes consisting of seven 3 votes and a 1 vote to win the award by 7 votes from Shae Denahy of Harcourt on 15 votes.

Kirby has returned to Avoca FNC after playing in the Bendigo League with Maryborough.

Kirby is a strong defender and uses her height and stretch to gain rebounds and intercepts.

Her ability to direct and control the play out of defense has been a big factor for Avoca this year which has guided them to top spot in an undefeated season.

Kirby also stepped up and played a few games in A grade this year.

Congratulations Kirby!

FACILITY SECURITY

The facility at the Avoca Public Park has recently been secured by the installation of an alarm system which includes camera vision of areas of the clubroom facility.

To increase the security further so that the whole building is covered, the installation of more cameras have been purchased and placed around the exterior of the building to make it a much safer and secure environment.

A Community Grant from the Pyrenees Shire was applied for to help finance the project and the club is very happy that one of our club partner's in Randall Edwards at VISAT Communication & Security has taken on the task of making our facility safer.

Bill Drummond Life Membership

The Avoca Football Netball Club is very pleased to announce that club President, Bill Drummond, was recently presented with Life Membership at the Annual General Meeting.

Bill Drummond has been an outstanding member of the Avoca FNC for many years and has proven to be a very worthy recipient to receive a Life Membership of this Club.

Bill commenced playing at junior level in the late 70's, early 80's and soon showed his prowess with the football by winning the Under 15 Lexton Football League Best & Fairest award in 1983.

It wasn't just at a playing level that he excelled and it was at an early age that he showed what was to come with his administrative type skills when he was awarded his first Best Clubman award in 1984 at the age of 15.

Bill was a very active voluntary member of the Club in his early years and received the award again in 1989 and could quite easily have been awarded the honour again on many other occasions over the years.

Bill has served on the committee for many years taking on various roles and tasks but his most recent contribution as Club President and Club Delegate leading the Club in these difficult times has certainly helped our club through these extraordinary times.

Bills input and contribution representing the Cricket Club on the Sporting & Recreation Committee of Management for over 30 years has been a great asset to the AFNC (as the main user group) by leading and assisting in the development of our magnificent facilities over many years to what it is today that we can all be proud of.

When Bill took the position of Netball Coordinator for the Club back in 2015 the MCDFNL recognised Bill's proficiencies by awarding him the Max Martin Administrator of the year award which was well deserved.

Bill has held many positions within the Club and also ones that have been difficult to find volunteers for. This is demonstrated by his current roles as the Club's Child Safety Officer, Club Covid Marshall and Liquor Licensee

Bill has been an invaluable club person which he has dedicated most of his life to volunteering and contributing to this Club and is well worthy of a Life Membership award.

Congratulations Bill!

(Bill is pictured with Vice-President Alana Burge who presented Bill with his Life Membership Certificate.)

SCHOLARSHIP WINNERS

The Avoca Football Netball Club were very pleased to award two of our up and coming junior players with the AFNC Scholarship Awards at the recent Graduation Night.

Chelsea Ross commenced her netball with Avoca 11 and Under team in 2018 and played 11 games. She also played 1 game for the 13 and under team.

There was no netball in 2020 due to covid lockdowns.

Chelsea resumed this season and showed great talent when she played 11 games for the 13 & under team, and polled 32 votes to just miss out on a Runner Up Best & Fairest award by 2 votes. She also polled 4 league votes.

The Avoca FNC is very pleased with Chelsea's progress and look forward to seeing her play many more games for our club.

Congratulations Chelsea!

Aidan Blair first commenced playing football for Avoca in the Under 11.5 team in 2017.

He could now quite possibly be considered a veteran player having already played 69 games for the club.

He was a key player in the 11.5 team going through the 2021 season undefeated and just missed out on being the runner up Best & Fairest by 4 votes.

Aidan polled 32 votes in the club Best & Fairest vote count, and was awarded the Most Determined player award.

He also recently was selected in the AFL Goldfields squad for the coming season.

Aidan comes from a good sporting and community minded family, and the Avoca FNC look forward to what lies ahead on the football field.

Congratulations Aidan!

Aidan & Chelsea are pictured with Club President Bill Drummond who presented them both with their awards.
