A NOTE FROM THE PRESIDENT

Let me begin by thanking everyone in the Club who contributed to another successful and enjoyable season. Our coaches, players, umpires, parents and volunteers do an incredible job ensuring we get seven netball grades and five football grades playing every week.

A season highlight was our A Grade team's third premiership in a row and our Under 15s netball winning the first junior premiership since 2006 . Congratulations to the coaches and players on their success.

**SANDIE
WARD**

We were thrilled to welcome many new players and their families to the Club this season and hope you've enjoyed your year with us and will continue your journey in the years ahead. We also extend our congratulations to the players who received individual league awards, including Faith McKenzie, winner of the MCDNFL A Grade Netball Best and Fairest. Kodie Greenwood, Runner-Up Best and Fairest in B Grade Netball. Matthew Wardlaw, MCDNFL Under 17 Football Best and Fairest, and Emily Beavis, Runner-Up Best and Fairest in Under 17 Netball.

We were also proud to see four of our A Grade players selected in the MCDFNL Team of the Year, including Maddy Egan, Gina Beavis, Faith McKenzie and Keisha Tonzing. Maddy and Kerry Egan were selected as Team of the Year coaches. This recognition is a testament to their skill, consistency, and impact on the court all season.

Our junior football and netball programs continue to go from strength to strength, with strong development and enthusiasm across all age groups. We also saw positive improvements in our senior programs throughout the season. Unfortunately, our senior footballers were heavily impacted by injuries, which meant we didn't get the chance to see the team perform at full potential and demonstrate just how far they could go at 100% fitness.

We're delighted that Matt Newton has committed to return as Senior Football Coach in 2026. Matt has been a fantastic addition to our club, aligning perfectly with our values and helping to build a culture founded on respect, teamwork, and continuous improvement.

Off the ground, we enjoyed a number of social highlights throughout the season, including the Mystery Flight Night, Bucking Bull Night, and our first-ever Junior Ball. These events were pivotal in bringing players, families, and supporters together to connect and have fun.

This also could not have been achieved without the financial assistance of our principal partner, Peter Jess, at PJA Accountants and Business Advisors. and our amazing business partners, who continue to support our Club. We are extremely appreciative of the ongoing support of all our business partners.

I'd also like to thank everyone who supported our 50/50 raffle, our major fundraiser for the year, with proceeds put back into our facilities.

Lastly, and most importantly, I would like to thank our committee for their tireless work throughout the year. Without their dedication and effort, we simply wouldn't have a club or the players on the ground and court each week. So much happens behind the scenes that often goes unnoticed, yet it's their hard work and attention to detail that ensure everything runs so seamlessly. Their commitment truly keeps our club thriving.

For those recommitting or joining the Club in 2026, we look forward to welcoming you over the coming weeks and months. Those who are moving on, thanks on behalf of all at the Club for your services, and we wish you well.

I hope everyone enjoys and stays safe in the off-season, and I wish all the best to the incoming club executive and Committee for the 2026 season and beyond.

Sandie Ward

SENIOR FOOTBALL REPORT

BEN COGHLAN

The Senior group battled the season with some injuries but have improved, finishing two places higher on the ladder than 2024. One more win would have seen us play finals. While we are rebuilding it's good to see some positive changes. Matt Newton has been re-appointed as coach for the 2026 season. We have been busy meeting and pursuing some new players and we look forward to welcoming some new faces to the club in 2026. Matt has made a complete restructure to trainings and game day play and we look forward to watching the group grow to where we all want to finish.

It was really good to see so many juniors coming along and joining training with our senior group and playing. We had six junior players make their senior debut this year. Bridging the gap between seniors and juniors is one thing Matt has been keen to support and something we have lacked in the past.

Gavin and Nathan had a difficult year with the senior injuries requiring their players to be moved back and forth from the senior group, also using some of our juniors as well. It was good to see everyone help out when we were short.

We are grateful to have this group of blokes playing for us. They turn up every week and give it their all and we are positive the club is heading in the right direction with new plans to be implemented in the coming season.

During the off-season Matt Newton has re-signed for the 2026 season to coach the senior group. Gavin Bayne and Andrew Wardlaw have been appointed joint reserves coaches.

We have had a regroup after 2025 and are working on a plan before rushing into making too many decisions. We have been busy talking to players, recruiting for the 2026 season with quite a few recommitted already, and look forward to welcoming a few new fresh faces. Announcements will start in the coming weeks.

In closing I'd like to thank our playing group, committee, trainers and everyone who offered their time and support. We look forward to watching the improvements in the 2026 Season.

JUNIOR FOOTBALL REPORT

Auskick – 2025 Season Wrap-Up

We'd like to extend a huge thank you to Nathan Coghlan, our Auskick Coordinator for the 2025 season. Nathan once again did a fantastic job running our Sunday morning Auskick sessions after each home game. His energy and organisation kept things running smoothly—rounding up helpers, engaging the kids, and making sure everyone was rewarded with a well-earned sausage in bread afterwards. On behalf of the club, parents, and all our enthusiastic Auskickers, thank you Nathan for your commitment, time, and the passion you bring to the program. Your efforts are truly appreciated!

Under 11.5s Football – 2025 Season Recap

The Under 11.5s had a fantastic season in 2025. Finishing eighth after a strong effort in the elimination final. Congratulations to all the girls and boys on a great year of development, teamwork, and fun!

A huge thank you to Justin Dillon for doing a wonderful job coaching the team and guiding our young footballers throughout the season. Thank you also to Matthew Wardlaw, who stepped in as assistant coach, and to Ash Robinson and Aaron Burge for their roles as runner and mentor.

Special thanks to Lisa Wardlaw for doing an outstanding job as Team Manager, and to all the parent helpers who fulfilled their rostered duties reliably and with enthusiasm – your support is what keeps the team running smoothly. Congratulations to Fletcher Beavis, winner of the 2025 AFNC Under 11.5 Best & Fairest award – a well-deserved recognition of a great season.

Under 14.5s

Our Under 14.5 football team had an excellent season. Finishing 6th after the home-and-away rounds and making it into the finals, where we were knocked out by the eventual premiers.

A big thank you to Cameron Holland for an outstanding first season as coach. Your leadership and commitment were truly appreciated. Thanks also to Alana Burge for doing a fantastic job as team manager, and to all the parent helpers for timekeeping, goal umpiring, and your ongoing support throughout the year.

Under 17.5s Football

The Under 17.5 football team had a strong season. Finishing seventh on the ladder under the guidance of Byron Wynd, who completed his second year as coach. Thank you, Byron, for your dedication and passion in leading the team. Thanks also to Nathan Coghlan for assisting Byron and mentoring our players. A big thank you also to Kylie Coghlan for her outstanding work managing the team, and to Ted Wardlaw for supporting on game day as runner and assisting Byron on the bench.

And a massive shout-out to Matthew Wardlaw again, who was awarded the League Best and Fairest – a remarkable accomplishment, especially considering he remains eligible for the grade next season.

It was great to see many of our Under 17.5 players step up and compete in senior and reserves football throughout the season. That experience is not only a testament to their talent but also a promising sign for the future of AFNC. To those players graduating from the junior ranks and moving into senior football – we thank you for your commitment and contribution to our junior program, and we wish you all the best in the next stage of your football journey.

A heartfelt thank you to all AFNC committee members and volunteers who make it possible for us to field three junior grades each year. Special mention to our club umpires – you continue to do an excellent job in a challenging but essential role. We look forward to seeing the continued growth and development of our junior footballers in the 2026 season.

NETBALL REPORT

LUCY HOWELL

Firstly, I would like to thank all players, parents, coaches, umpires, and volunteers who have contributed to the 2025 season, what a successful year we have had. A-Grade Premiership Cup returned to the Kennel again! What an incredible achievement from this group of girls, a threepeat is hard to come by.

Our future is bright with the under 15's and 17's playing off in the Grand final. A successful campaign for the under 15's girls, Avoca's first Junior premiership since 2006, under 17's just fell short, but what a season coming from 8th place on the ladder. Thank you to all supporters who came out in club colours to cheer the girls on and celebrated with them after the game.

Congratulations, and thanks to our senior coaches, Maddy and Kerry Egan A&B and Kodie Greenwood C, for getting all three senior netball teams into the finals again this year. Maddy and Kerry continued to get results this year, teaming up with Kodie, with three formidable senior teams that showcase the AFNC as an exceptional netball group.

We had fantastic success at the Nalder-Tracey Berry Powell League Best and Fairest, Faith MacKenzie winning the A grade Best and Fairest, and again Kodie Greenwood took home the B grade runners-up trophy. Congratulations, girls.

We also had four A Grade netballers selected in the 2025 team of the year. Congratulations to Faith McKenzie, Maddy Egan, Keshia Tonzing and Gina Beavis. Avoca had the most representatives in this team, along with coaches of the year Maddy and Kerry Egan. Our junior players were also well represented at the league level, with five players selected to play in the MCDNFL Interleague Teams. Congratulations, Emily Beavis, Jenna Beavis, Shayla Blair, India Wardlaw and Alyshia Redpath.

We had strong representation from our netball playing group in finals this year, with six out of the seven teams making it into the finals. We are incredibly proud of how our junior and senior netballers have conducted themselves during finals.

The U11 was a year of development. This is the first year we have had to invite some very young girls to play due to low numbers. Thank you to Brylie Salmon, Chelsea Britten and Layla White for your time and patience with the girls this year. It is very exciting for the Club to see our junior netballers interested in coaching, guided along the way by our experienced leaders.

Congratulations to our U13's team, who had a strong year falling in an elimination final. This group of girls have developed into a very skilful group under the guidance of another of our young and passionate club members, Emily Beavis, assisted by Stacey Blair.

NETBALL REPORT

Under 15's, what a year, what a group, so much excitement with this group of girls and what can be achieved in the future with so many talented young netballers, our future is bright! Hopefully, many more premierships to come.

Our under 17's showed what you can do if you come together as a team and knuckle down and give it your all. Coming from 8th on the ladder only by percentage to make the grand final is something special. These girls were led by a very passionate captain in Emily Beavis who pushed hard to get the success they deserved, falling short to a very impressive Giants team. A huge thank you to Talia Arrowsmith and assistant Lucy Howell for guiding these girls this year.

B Grade and C Grade were both defeated in the preliminary final in fiercely competitive matches. We have been incredibly proud of how our netballers performed in 2025.

Thank you to Isabella Thomson, Lucy Howell, Rachel Maes, Ellie Meagher and Tilly Davis, who led the netball executive committee this year, a very successful first year.

MCDFNL FINALS HIGHLIGHTS

The Club had a successful MCDFNL finals series with 8 out of 11 teams featuring in matches throughout the 4-week series. Our U11.5 and U17.5 footballers played in the elimination finals, and the U14.5 made it through to the semi-finals.

Our U13 netballers advanced to the preliminary finals, along with our C and B Grade netball teams.

The Cinderella story for the finals series was our Under 17 netballers, who only just made it into the top eight, winning their elimination final match in emphatic style, going on to win a semi and an incredible preliminary final match to make it through to the Grand Final. Unfortunately, they didn't come home with the cup, but we are incredibly proud of the girls for their effort to get to the Grand Final.

Our A Grade and Under 15 netballers played an amazing finals series to bring home two premiership cups.

ALL MEMBERSHIPS WERE MANAGED THROUGH TEAMAPP

The Club has made a conscious effort to ensure all players are fully financial, and there has been an increase in the general membership base, which is positive for the Club. Maintaining stable membership prices seems to be the biggest success in encouraging membership. The Club will need to continue to closely monitor expenses associated with playing to ensure membership fees reflect this. All members were required to have a digital membership card with a QR code that was scanned when they went through the gate each week.

FINANCIAL STATEMENTS

* INCOME STATEMENTS

The Club budget was set at the start of the 2024/25 year, and pleasingly the Club has achieved a net profit outcome for the current season.
